The Sophomore class is very involved in both academics and school activities. One of the highlights of our year was selecting our class rings. Several Sophomores were involved in ordering letter jackets and were also kept busy with fund raisers throughout the year.

We as Sophomores take pride in everything we do and strive to be the best that we can be. We are always willing to help and support each other.

The ideal middle school ser ves as a transition to the gap between the elementary, one teacher, totally teacher-guided situation to the high school, many teachers, student self-directed situation.

The format purpose of our middle school is to meet the The ideal middle school serves as a transition to the gap between the elementary, one teacher, totally teacher-guided situation to the high school, many teachers, student self-directed situation.

We try to stress learning how to learn, to provide opportunities to encourage students to stretch their minds, and to try out many things. Everyone is able to participate in all activities. Our foremost concern is the importance of the individuals.

Varisty Football

The 1987 Football Season was a year of dominance for the Polk-Hordville Wildcats. For the second consecutive year, the Wildcats went undefeated(9-0) and defended the Conference title, a feat not many high school teams have accomplished and can be Proud of.

The season came to an end early, as injuries, along with first round play-off opponent Nelson tripped up the undefeated Wildcats 41-38. Along with the Conference Title the Wildcats ended up being rated sixth in class D-1, and many individual honors were earned!

Back Row: Paul Van Housen, Terry Carlstrom, Gerry Sagehorn, Scott DeMers, Brad Dose, Cary Sandell. Front Row: Scott Nyberg, Scott Feldt, Lennis Ortegren, Gail Klingsporn, Neil Tyler.

In combining the programs, the girls who once competed against each other on opposite sides of the net are now teammates, the Polk-Hordville Lady Wildcats.

The Lady Wildcats came into the year with positive attitudes, talent and dedication to finish the season with a 10-9 record. With twenty-five girls out, the competition was high and because of that competition, our season was very successful.

Some of the highlights include runner-up in the CRC Tournament, runner-up in the D1-3 District, and a winning season.

Ladies,

Believe in yourselves as I have believed in you. Each one of you has a bright future ahead in academics, athletics, or whatever you do that you feel is worthwhile "IF YOU WANT IT!!!"

Thank you for a great year!

The 1987-88 Girls basketball season was one of change. After years f competing on the hardwoods as opponents, the two schools merged and ormed the wildcats. The initial season was a success. The girls finished ith a 9-11 record and a 4-5 record in the CRC. The 1987-88 season kicked off a new era in Wildcat Basketball. The merger of two schools rich in basketball tradition produced a very exciting and successful first year. The list of accomplishments includes the CRC tourney championship, sub-district and district titles, a trip to the semi-finals of the state tourney and a 19-3 season. I am very proud of the boys and what they accomplished this year. A special thanks to all who helped with the program and to the parents and fans who made the tough games a little easier.
